My research that followed the news of the Nibiruan agenda to visit [or begin colonization of] Earth in 2010 [See: Chapter 9] helped me realize that there is a war being fought [or, about to be fought] over Earth's young people.

The dark side has had a significant lead due to the fact that book publishers and Hollywood have been compelled to produce dark material for nearly twenty years.

BOOKS, BLOOD AND BLOCKBUSTER SALES

In 1992, I worked as a network and software applications troubleshooter for Simon & Schuster's 160 graphic designers in New York's Rockefeller Center.

One day when I was in Junior Books, I looked at the book covers of new books and every one of them had blood in the cover illustrations. I remember asking, "Why does the artwork on every cover have blood?" No one knew.

In 1997, J.K. Rowling's *Harry Potter* series about sorcery and witchcraft was launched and it has been published for ten years [June, 1997 - July, 2007], As of June 2008, the book series sold more than 400 million copies and has been translated into 67 languages. Rowling's

Daniel Radcliffe was cast as Harry Potter in the Warner Brothers' film 2000 production of *Harry Potter and The Sorcerer's Stone* when he was eleven years-old.

last four books have consecutively set records as the fastest-selling books in history.

As J.K. Rowling was working on the second last book in her series called *Harry Potter and the Half-Blood Prince*, author Stephanie Meyers was writing another teenage series about blood. Her four vampire-based romance novels about a vampire family's teenage son [Edward] and his high school love interest [Bella], sold over 42 million copies worldwide with translations into 37 languages. The four *Twilight* books were also the biggest selling novels of 2008 on the *USA Today* Best-Selling Books list. Film

adaptations of these best-selling books have also been drawing teens to movie theaters since November, 2001 and will continue to 2011 when Part 2 of Rowling's last book will be released [Note: large book publishers are now owned by movie studios].

HERMES BUST IN ROWLING'S ROOM

When Rowling completed the last book in the *Harry Potter* series, she was staying at the Balmoral Hotel [1 Princes Street] in Edinburgh, Scotland. On January 11, 2007, she wrote the following message on a marble bust of Hermes in her room:

J. K. Rowling finished writing Harry Potter and the Deathly Hallows in this room (652) on 11 January 2007.

Kristen Stewart and Robert Pattinson in their roles as Bella Swan and Edward Cullen in the film adaptation of *Twilight*. Both play vampires although Kristin's character is not a vampire at the beginning of the film.

Harry Potter fans know that Hermes is the name of Percy Weasley's owl [Note: Percy Weasley is the older brother of Harry's best friend Ron Weasley]. When fans found out about the message that Rowling had left in her room, the Harry Potter message boards and Blog sites lit up with discussions about "Hermes."

No wonder God said that His e-book is twenty years late [See: Chapter 1]. Dark forces have almost a twenty-year head start that has engulfed the book publishing and film industries as well as book stores like Barnes & Noble. When I asked a Barnes & Noble store

In "Chem Trails and the New World Order," author Peter Farley wrote, "...it is no accident that our children and teenagers are being led to dabble in witchcraft and other darker supernatural pursuits under the guise of harmless entertainment." manager why dark subject matter dominated the entire teen book department, the manager said it was due to Twilight's popularity.

Author Peter Farley sees a connection between dark entertainment and a New World Order agenda. In "Chem Trails and the New World Order," he wrote:

...it is no accident that our children and teenagers are being led to dabble in witchcraft and other darker supernatural pursuits under the guise of harmless entertainment.

The Dark has yet to see the power of God that is just beginning to be felt. I have experienced the shield associated with a Prayer that I say at Sun Rise and Sun Down—and I have heard Him say:

...They have forgotten who they are dealing with.

I did not understand until I began writing this chapter—that I am involved in a war between the Light and the Dark. I asked God:

"Are You God? [3 variations]."

"Yes."

"Have Dark forces been influencing book publishing, film [and television] for twenty years?"

"Yes."

"Is this done energetically?"

"Yes."

"Are any of the participants in these industries aware of the energy manipulation in these industries?"

"Yes."

"Are there sorcerers and sorceresses in 3D?"

"Yes."

"Is a sorcerer or sorceress equivalent to a god or Guardian that Peter Farley identified in his book?" [See: Chapter 9]

"Yes."

"Do they have equivalent powers that are not being used in ways that are compatible to The Law of One?"

"Yes."

"Are these the shape shifters who David Icke writes about?"

"Yes."

"Is J.K. Rowling a sorceress?"

"Yes."

"Does she know she's a sorceress?"

"Yes."

“Are the spells in Harry Potter real?”
 “Yes.”
 “Are the spells also incompatible with The Law of One?”
 “Yes.”
 “Are there Harry Potter readers who are reciting spells from J.K. Rowling’s book?”
 “Yes.”
 “Are these readers unknowingly ruining their chances for Ascension?”
 “Yes.”
 “Is it a coincidence that she wrote a note about finishing her last Harry Potter book on a statue of Hermes?”
 “No.”
 “Is it a coincidence that the Balmoral Hotel is located at “1 Princes Street”—an address that is not 12-compatible?”
 “No.”
 “Would J.K Rowling have stayed at the Balmoral if it was located at 2 Princes Street?”
 “No.”
 “Is the date, January 11, 2007 significant?”
 “Yes.”
 “Is the number 11 significant?”
 “Yes.”
 “Is this Satan’s number?”
 “Yes.”
 “Is it also Thoth/Hermes’ number?”
 “Yes.”
 “Was this to flaunt the completion of the series on a 12-compatible date?”
 “Yes.”

Note: A MySpace Group called The Joy of Satan helped me piece information together about a Reptilian geneticist named ENKI who is also known as Satan. Peter Farley’s work contains details about ENKI who led the first group of Anunnakis who landed in Sumeria. Thoth/Hermes is ENKI’s son.

“Have I met any sorcerers or sorceresses in 3D?”
 “Yes.”

Note: I had several encounters in the Milwaukee County Behavioral Health Division Hospital that I have not relayed to anyone. At the time, I did not understand who they were. I still don’t—but it appears that I now have a clue.

Like the police who arrested me for taping pieces of paper to a bathroom wall, many participants in the entertainment industry may be pawns in the war between the Light and the Dark. To understand if this is correct, I asked:

“Are most participants in dark entertainment asleep?”
 “Yes.”
 “Is vulnerability to energetic manipulation related to genetics?”
 “No.”
 “Is it related to their soul group?”
 “Yes.”
 “Are Azurites [former Atlanteans] less vulnerable to energetic manipulation?”
 “Yes.”

LEAKED NASA PHOTOS OF NIBIRU

MySpace members are not the only ones who are watching Nibiru. A short video clip containing still images of Nibiru has been uploaded to YouTube by someone claiming to be a NASA employee. Here are the text messages from his slide show:

Hello, I created this video in hopes of showing the public images that have been suppressed of the planet 'Nibiru.'

I obtained these images through my position working at NASA. These photos show Nibiru and clearly three planets that orbit it.

At NASA, Nibiru is officially known as Orcus, and has an estimated thirty-four smaller planets orbiting it.

One of these planets it known to support civilization. Contrary to popular belief, Orcus is actually a gas giant.

Orcus will pass through our galaxy within the years 2011 or 2012. My images show the slow progression of the planet approaching.

By the final image, Orcus is only six months or so from passing the orbit of pluto at its farthest distance from the sun.

This entry begins with photos of Nibiru that were leaked to the Internet from a NASA employee as well as an analysis of our human origins summarized by a young person named Forest Mystic whose written communication I would never have found if it weren't for the Internet.

The final image was taken with only X-Ray allowing a detailed black and white look at the planet.

I cannot stress the danger. Please learn of the coming of Nibiru and prepare yourself. Many of the stories are true.

WHO WAS SATAN?

In the Abraham religions [Judaism, Christianity and Islam], Satan is synonymous with the Devil. It turns out that numerous details about Satan's identity have been withheld—similar to the details of humanity's origins.

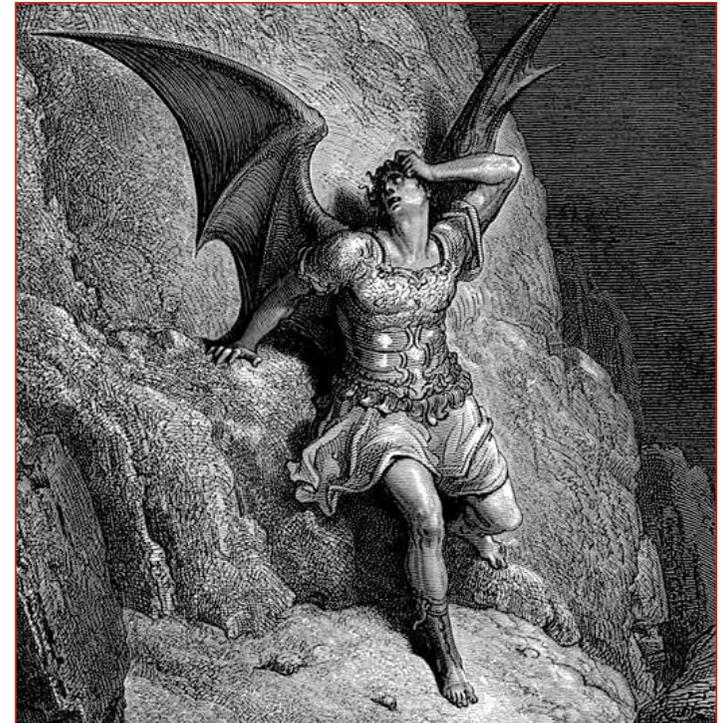

The Joy of Satan Group at MySpace provided several important details for creating questions for God. The group's description has been inserted here along with red edits that I obtained using my pendulum. I have also capitalized ENKI as Peter Farley does in his book:

Satan is the Sumerian god [upper case G changed to lower case "g" in the word god. In ancient Egypt, god translates to "Guardian." See: Chapter 9] known as "EA" or "ENKI." He is a god, not an angel! [lower case "g" in god]. He has been denigrated and slandered through the centuries with falsehoods and lies of Jews [not entirely true—the original Hebrew

meaning of the word Satan refers to an antagonist who opposes]. Most people do not know ENKI. They believe everything they are told about him without question. Fear is a powerful tool that has been used for centuries to keep humanity away from ENKI [true]. ENKI is the most brilliant of the gods [lower case "g", overstatement on brilliance]. He ruled Egypt under the name "PTAH" [true]. "ENKI" means Lord/Ruler of the Earth [not true]. He is symbolized by the Water Bearer of the sign of Aquarius, the 11th sign of the Zodiac [true]. Aquarius is the sign of humanity, technology and genius. One of Satan's numbers is 11 [true]. The gods [lower case "g"] are an extraterrestrial humanoid race of beings of which Satan is supreme and omnipresent [supreme omnipotence overstated]

In the Christian bible, they [the gods or Guardians] are referred to as the "Nephilim." These beings are very evolved, highly advanced, and immensely powerful [true]. They genetically modified their DNA, so they do not age [true].

[Note: The Guardian's DNA modification to prevent aging is a hidden theme in the movie Twilight. It also implies that the

The original Hebrew meaning of the word Satan refers to an antagonist who opposes. The more negative meaning of Satan [as a devil who harms] is derived from the Greek word diabolos or "slanderer." Note the word "Olympus" in one of the MySpace groups. The identity of the gods of Olympus will be explored later. Image: Satan, a drawn by Gustave Doré, in John Milton's Paradise Lost Source: Wikipedia

Guardians have not Ascended —or, don't intend to].

They [the gods or Guardians] exist out in the cosmos. "Hell" is out in the cosmos in the area known as "The Duat" [true]. Azazel relates that "Hell" is near the star Betelgeuse in the constellation of Orion [true]. In the Necronomicon (this book is based upon Mesopotamian/Sumerian mythology, even though classified

as a work of fiction). The phrase: “When the Great Bear hangs low in the sky” refers to the constellation Ursa Major, part of the Big Dipper. When the planets align a certain way, it opens up a travel line for space travelers [true].

People are always looking to the sky for when the gods will return. Humanity’s sole purpose [24,000 years ago] was for use as slave laborers in the mines for the Nephilim [true]. We were to be destroyed after a gold mining project was completed [true].

Satan, along with many of the Nephilim, fathered children with human mothers [true]. These offspring were known as “Demi-gods.” “Noah” (his real name was Ziusudra) was a son of Satan [true]. Satan saved his life, along with his family, by relaying to him information concerning the impending flood [true]. This same catastrophe wiped out the dinosaurs, millions of years earlier [true].

Nibiru (the home planet of the gods), is said to return to the asteroid belt every 3,600 years [not true]. Because of the immense size and gravitational pull of the planet Nibiru, the Antarctic ice cap slips creating torrential rains and

flooding [true]. This is where in the Christian bible, it is written, “the Sun will become black as sack cloth and the Moon will become blood red” [not true]. Nibiru will eclipse the Earth [true].

[Note: Atlanteans were also the children of Nephilim and human mothers. Atlanteans were advanced beings but they were also half human. They died in a flood that was similar to the flood that Noah survived. Atlanteans have been reincarnating and waiting for an opportunity to Ascend on 12/21/2012—ever since Atlantis was destroyed due to the gravitational pull of the planet Nibiru. Forest Mystic is a former Atlantean].

ENKI, an Anunnaki geneticist, produced an “Adam” out of a Neanderthal Man by adding more sophisticated genetics to produce a “Homo Sapien.”

[The gods’] sexual relations with and intermarriage with humans angered the other gods who looked down upon humanity and wished for our destruction [true]. Interbreeding with the gods gave humans capabilities that they had not intended for us to have [true]. Father Satan wished for us to have equality with the gods [true]. One day ENKI will take us back to the mothership so we can join him in space and escape all the Jews!

[Note: Father Satan, aka ENKI, did not wish for humans to be equal to the gods. As the geneticist who created humans, ENKI removed most of humanity’s DNA leaving them two strands instead of twelve. He cannot take anyone to a mothership because the Guardians vary between 3D and 4D—a capability that requires a full set of DNA. For humans, the only way to leave the planet is through death or the Ascension].

ENKI, ENLIL AND ANU

Babylonian clay tablets called the ‘Enuma elish, found in 1849 [in Iraq], help clarify ENKI’s identity. The tablets explain that fifty Anunnaki landed in the Persian Gulf under the leadership of E.A. [he whose house is water]. E.A.

gave his name to the planet [Earth] and also acquired the name ENKI [Lord of the Earth].

Peter Farley's work explains that ENKI and his team landed on Earth to obtain gold for their home planet Nibiru. Much later, more Anunnaki arrived, including ENKI's half brother EN.LIL who was sent by their father, ANU, the ruler of Nibiru [Note: Peter Farley's work also explains that Nibiru is a circular, artificial starship that astronomers have identified as Sirius B. Nibiru is third dimensional but it's inhabitants are fourth dimensional [and therefore invisible]. Farley calls their method of travel through wormholes and portals primitive and says they have a way-station on the planet Io that is one of the moons of Jupiter [Note: Barbara Clow's quote containing the word "Io" was included in Chapter 9].

When distillation of Persian Gulf water did not yield enough gold, the Anunnaki began mining it in southeast Africa. Peter Farley explains that the Anunnaki miners arrived 72,000 years ago, mined for 48,000 years and then mutinied [approximately 24,000 years ago]. In response, the Anunnaki used their knowledge of genetics and produced a human from a Neanderthal Man—producing a "Homo Sapien." These genetically modified humans became the "worker race." In his book, Farley draws attention to the fact that

the geneticists' work is described in Genesis, Chapter 1:

And the Elohim created the Adam in His image; in the image of Elohim created He him.

Note: Elohim refers to Anunnaki from Nibiru [not angels as we have been led to believe]. Farley also tells us that along the way, ENKI created many aberrations and finally had to blend Anunnaki DNA with human DNA. ENKI did not want humans to have Anunnaki capabilities and enough DNA was removed to limit access to the 4th Dimension. Twelve strands of DNA were reduced to two—the same double strand that appears on the caduceus [that Enki took as his personal symbol]. On the subject of DNA needed for the Ascension, Farley writes:

Noah's wooden boad built to survive the "great flood" caused by the gravitational pull of Nibiru #3664943.

Some people are convinced that we have more DNA strands coming, to complete our "ageless body" ascended forms. This is true to some extent, and indeed there are some beings on the planet now who are in possession of their full complement of 12-stranded DNA, but they are rare among the many, and now they are almost anomalies. The rest of the world is stuck with two-stranded DNA, unless they make the choices that are needed to Ascend. The Ascension process is not automatic for everyone. "

DID ENKI SAVE HUMANITY?

Forest Mystic, who wrote the detailed back story for the Joy of Satan discussion group on MySpace, says ENKI and other Nephilim fathered children with humans that were created for work in the mines of Southeast Africa.

"Are You God? [3 variations].

"Yes."

"Are ENKI and ENLIL both "Guardians?"

"Yes."

"Are all of these Guardians still in this galaxy?"

"Yes."

"Is ANU still in charge of Nibiru?"

"Yes."

"Are ENKI and ENLIL also on Nibiru?"

“No.”
 “Are ENKI and ENLIL here in 4th Dimension?”
 “Yes.”
 “Is Thoth/Hermes also here in 4th Dimension?”
 “Yes.”
 “Did these Guardians live in 3D during the mining operation and creation of a Homo Sapien?”
 “Yes.”
 “Do the 3D/4D beings live 4 to 5,000 years as Peter Farley describes in his book?”
 “Yes.”
 “Do they reincarnate as humans do?”
 “No.”
 “If ENKI blended Guardian DNA with human DNA to make a slave race, did he also invent reincarnation?”
 “Yes.”
 “Did ENKI’s modifications limit human life time?”
 “Yes.”
 “Did ENKI use the DNA he removed from humans to lengthen Guardian life times?”
 “Yes.”
 “Does Ascension involve death?”
 “No.”
 “Will humans receive 12 strands of DNA at the Ascension?”
 “Yes.”
 “Is this part automatic?”
 “Yes.”
 “Will they have 3D/4D capability but

not really Ascend in the true sense?”
 “Yes.”
 “Is it the Guardians’ intention to introduce them to their DNA-modified lifestyle?”
 “Is this the subtle theme in Twilight?”
 “Yes.”
 “Doe the Guardian modification to extend their lifetime beyond 4-5,000 years require the addition of new DNA?”
 “Yes.”
 “Will they be interested in extending the lives of their descendants but not necessarily the lives of humans who are here from Atlantis?”
 “Yes.”

WHO CONTROLS REINCARNATION?

If the plan has been to distract humans, kill them with a flood in 2010 and skip past another Ascension, it means that humanity will again be trapped in its endless cycle of reincarnation. There are many questions that still need to be asked including:

“Are You God? [3 variations].”
 “Yes.”
 “Is it possible for Nibiru to visit Earth without causing a flood?”
 “Yes.”
 “Were the floods an accident?”
 “No.”
 “Do the Guardians control reincarnation?”
 “Yes.”

The twenty year effort to influence the entertainment industry is designed to distract humanity from their opportunity to Ascend. Photo: Robert Pattinson in Twilight..

“Will a flood limit reincarnation?”
 “Yes.”
 “Will this ‘down-time’ give the Guardians an opportunity to talk their descendants into DNA modification?”
 “Yes.”
 “Is 4D a replica of 3D?”
 “Yes.”
 In 2002, I read Mark Macy’s *Miracles in the Storm* about Instrumental Trans Communication [ITC], uses equipment such as computers, faxes, phones, and televisions to make contact with the deceased. ITC was originally called Electronic Voice Phenomena [EVP] that was first developed by a Swede named Dr. Friedrich Jürgenson who recorded his deceased mother’s voice. Note: An account of Dr. Friedrich Jürgenson’s recordings are described in Harold Sherman’s *The Dead Are Alive*.

I made an EVP recording in July of 2001 with instructions that Mark provided on his Web site and it worked. I heard a woman sigh in my first five-minute recording. I e-mailed Mark and he encouraged me to continue. Rather than record, I searched for books that contained information that corroborated some of the details in Mark's book. For example, Mark relays a story about a group of ITC researchers who viewed a group of deceased friends on a television screen showing an environment that looked like Earth. The deceased said they were on the planet Marduk.

WHERE IS THE AFTERLIFE?

In my search for more information, I found a reference to the fact that Earth's Astral zone [where the deceased go after death] is on the planet Marduk. The 3D version of Marduk was supposed to have once been located in a regular orbit between the orbits of Mars and Jupiter. The area is now an asteroid belt that have been explained as piece of Marduk that were destroyed in an explosion due to "unbridled science." There are also hints about a planet's 3D and 4D versions in Barbara Marciniak's *Earth: Pleiadian Keys to the Living Library*. In one brief paragraph she says that Atlantis exists in "another dimension."

Note: Pleiadians are a race of Reptilians who several New Age authors have been channeling for about two decades. Barbara Marciniak's *Bringers of the Dawn*, Barbara Hand Clow's *The Pleiadian Agenda* and Amora Quan Yin's *The Pleiadian Workbook* are early examples.

To learn more about 3D and 4D versions of planets as well as Marduk and its connection to the afterlife, I asked:

"Are You God? [3 variations]."

"Yes."

"Was the planet Marduk destroyed due to "unbridled" science?"

"No."

"Was it destroyed during a Nibiru visit to this solar system?"

"Yes."

"When a 3D planet is destroyed, is the 4D counterpart destroyed?"

"No."

"Has 4D Marduk been used as an 'after-life' zone?"

"Yes."

"Is this the Reptilian's 'Heaven?'"

"Yes."

"And "Hell" is called The Duat located near the star Betelgeuse in the constellation of Orion that Forest Mystic described?"

"Yes."

"Do Reptilian Guardians decide who goes to Heaven and who goes to Hell?"

"Yes."

"Is there a plan to move those who die a 2010 flood to Marduk, The Duat and other locations?"

"Yes."

"Do the Guardians want to keep 4D Earth for themselves?"

"Yes."

"Does Atlantis still exist in 4D?"

"Yes."

"Does the Ascension represent a chance to break out of the cycle of continually returning to 3D?"

“Yes.”
 “Is a continued 3D existence a requirement for those who do not qualify for the Ascension?”
 “Yes.”
 “Will the Nibiru visit and flooding prematurely end the lives of those who are still evolving?”
 “Yes.”
 “Is this an example of endless interference and manipulation that has derailed human development?”
 “Yes.”
 “Would flooding in 3D harm the Nibiruan plan to colonize in 4D?”
 “No.”
 “Was Noah ENKI’s son as Forest Mystic described?”
 “Yes.”
 “Was Noah part human?”
 “Yes.”
 “Is Thoth/Hermes part human?”
 “No.”
 “Did ENKI save Noah by alerting him to the danger of the flood?”
 “Yes.”
 “If ENKI is still a Guardian, is he against the idea of bringing Nibiru back to Earth?”
 “No.”
 “A decision has been made to bring the starship Nibiru through the wormhole portals?”
 “Yes.”
 “Is this for the purpose of colonization?”

“Yes.”
 “Is this the reason that you said there are no ‘nice’ Anunnaki?”
 “Yes.”

THE ATLANTEAN [& EGYPTIAN] PUZZLE

From my limited 3D perspective, I still need to sort out whether Atlantis was in 3D or 4D. There are also numerous “Who’s Who” mysteries that still exist. As a result, I still have many, many questions for God:

“Are You God? [3 variations].”
 “Yes.”
 “Was Atlantis in 3D?”
 “Yes.”
 “Were Atlanteans descendants of ENKI’s two-stranded humans?”
 “No.”
 “Were they in the “Demi-god” category that Forest Mystic describes?”
 “Yes.”
 [A Review] “Demi-gods are the product of Nephilim fathers and human mothers?”
 “Yes.”
 “Were they powerful Anunnaki beings due to the abilities they inherited from their fathers?”
 “Yes.”
 “Can Demi-gods Ascend without dying?”
 “No.”
 “So the Atlanteans who died in the destruction of Atlantis had to

reincarnate?”
 “Yes.”
 “Are they all here anxiously waiting to Ascend?”
 “Yes.”
 “Is the group we have been calling Azurites?”
 “Yes.”
 “And, their Anunnaki ancestors are trying to block their Ascension?”
 “Yes.”
 “It’s not the Azurites directly—but the whole planet?”
 “Yes.”
 “Will a blocked or missed Ascension mean waiting another 26,000 years?”
 “Yes.”
 “Were the ancient Egyptians Demi-god Atlanteans who escaped the destruction of Atlantis?”
 “Yes.”

“Because ENKI had been in Mesopotamia on the gold mining mission, he decided to also rule Egypt as PTAH as Forest Mystic reported?”

“Yes.”

“Isn’t that longer than the Guardian 4-5000 year life time?”

“Yes.”

“Did they modify their DNA so they would not age [as Forest also reported]?”

“Yes.”

“Will ENKI and the other Guardian gods [little “g”] live forever?”

“No.”

“Have they been Ascending?”

“No.”

“Do they want to Ascend?”

“Yes.”

“Do they think it is impossible due to their genetic modification?”

“Yes.”

“Is it impossible?”

“No.”

Will they need Your help at some point?”

“Yes.”

“Do they understand this?”

“No.”

“Are headed down a dead-end?”

“Yes.”

“Does the December 21, 2012 event have significance for their Ascension?”

“Yes.”

“Will their plan to sabotage Earth’s Ascension also sabotage their own Ascension?”

“Yes.”

“Will they need to wait 26,000 years for another opportunity to Ascend?”

“Yes.”

“Is it a bad idea for them to skip this Ascension themselves?”

“Yes.”

“Is their plan to colonize Earth in 4D due to the fact that Nibiru has become an inhospitable place to live?”

“Yes.”

“Is 4D Earth polluted?”

“No.”

“Does 3D pollution have an effect on 4D?”

“Yes.”

“Is 4D Earth where humans are supposed to Ascend?”

“No.”

LIFE DID NOT BEGIN IN SUMER

Because there is so much information that has been hidden, it is easy to get overly focused on what happened in Sumer [aka Sumeria or Mesopotamia] after ENKI landed with his original group of 50 Anunnaki.

“Are there many dimensions in the Universe?”

“Yes.”

“Are the higher dimensions for beings who are more highly evolved?”

“No.”

“Is multi-dimensionality unfamiliar to humans due to their genetic tampering?”

“Yes.”

Reptilian aliens evolved from ENKI’s experiments with genetics. They range from short, Grey-like aliens to humans [who are half Reptilian]. The true story of ENKI and his experiments belongs in the 2011 release of the Alien movie Prequel by Tony and Ridley Scott.

“Is Ascension an option that involved a choice?”

“Yes.”

“Is there more than one form of Ascension?”

“Yes.”

“Is there a biological Ascension that adds DNA and multi-dimensionality?”

“Yes.”

“Is there also a spiritual Ascension for those who are loyal to and support The Law of One?”

“Yes.”

“Is this the true Ascension?”

“Yes.”

“Is this the Ascension that brings us closer to You?”

“Yes.”

“Is this the Ascension that would take Law of One supporters away from their Reptilian “Controllers?”

“Yes.”
 “Is The Law of One much older than the history I have been writing about?”
 “Yes.”
 “Is it as old as Creation?”
 “Yes.”
 “Is Creation hundreds of millions years-old?”
 “Yes.”
 “Are there vast numbers of civilizations who support The Law of One?”
 “Yes.”
 “For those on Earth who support The Law of One, is the Ascension in a direction away from the Sumerian debacle?”
 “Yes.”
 “Can the Nibiruan move in this same direction if they choose?”
 “Yes.”
 “Do the Nibiruans understand this?”
 “No.”
 “Are the Nibiruans at a disadvantage because they do not communicate with You?”
 “Yes.”
 “Are the Nibiruans unable to have a clear understanding of where they are headed?”
 “Yes.”
 “Would it be a good idea for Nibiruans to say Ra’s suggested Prayer that asks how they can serve You?”
 “Yes.”
 “Will they experience a positive response?”
 “Yes.”

SOURCE A AND THE “CONFORMERS”

In 2008, in semi-secret meetings, a Naval officer [known as “Source A”] who had made contact with an extraterrestrial describing itself as a “Conformer,” introduced the “ET” in meetings at New York’s United Nations from February 12-13, 2008. Although the meetings were very much hidden from the general public, I believe that the events were held to prepare the American [or world] population for contact in 2010.

In 2002, I helped form a UFO group in New York City called the New York Disclosure Network New York [www.dnny.org], a chapter of Dr. Steven Greer’s Disclosure Project [www.disclosureproject.org]. Even though I no longer live in New York, I still maintain the DNNY Web site. Over a ten-year period, Greer, an emergency medicine physician, tried to persuade the government to hold formal hearings for several hundred ex-government employees who had varying degrees of UFO contact.

When it became obvious that the government was not going to formally acknowledge UFO contact, Greer finally closed down his project. His decision to close down the Disclosure Project did not effect the New York chapter that holds lively monthly meetings in lower Manhattan.

Shawn and Clay Pickering, who are the DNNY chapter’s most advanced UFO researchers, were invited to meet the extraterrestrial at the U.N. meetings in 2008. The meetings have been described in articles on Dr. Michael Salla’s Web site [www.exopolitics.org] as well as the UFO Digest Web site [www.ufodigest.com]. Ed Komarek, who wrote “Naval Officer’s Extraterrestrial Contact” for UFO Digest has this to say about the ET’s appearance:

Their height is roughly five feet, (very heavy), Dimensions 5 by 3 to 4 feet, the color is dark grey like an aircraft carrier deck, no smell, body movement is constant/undulating underneath, appendages – legs very short like a midget.

New York’s United Nations was the meeting place for a 2008 meeting with a Reptilian ET, a Naval Officer who prefers to be known as “Source A” and a handful of UFO researchers who were invited to the meeting #8497659.

THE CONFORMER NAME CHANGE

Ed Komarek’s article calls the beings “Reptilians” and says they “hate Greys” [they show their teeth when Greys are mentioned]. The Naval officer who made contact and wishes to remain anonymous says that he trusts the “Conformers” even though they changed their [Earth] name in the short time he’s known them from “Controllers” to “Conformers. Michael Salla says that he’s uncomfortable with this in his article on www.exopolitics.org. The name change appears to be a hide an identity.

PREPARING EARTH FOR A LANDING?

Recently, I received an e-mail from a news editor who has been covering the story. He said Source A is telling people that “the Conformers are a distinct species apart from Reptilians. There is an alliance between them, but they are not even close as a “species.” Source A claims “the nomenclature has created some confusion, i.e. Controllers, Conformers, Reptoids, Reptilians, etc, and should be clarified soon.” A Conformer who shows its teeth at mention of the Greys is not someone who can be trusted with telling the truth! I asked God the following questions:

“Are You God? [3 variations].

“Yes.”

“Is the Conformer a Reptilian?”

“Yes.”

Does the Conformer work with the Anunnaki who are planning to arrive in 2010?”

“Yes.”

“Was the purpose of contact with Source A to help prepare the military as well as the public?”

“Yes,”

100,000 YEARS OF EXPERIMENTS...?

ENKI’s genetics experiments span 100,000 years and they still continue. God did not make reptiles—neither the alien Reptilians or, the reptiles that are found on Earth [turtles, lizards, snakes, crocodiles and alligators]. He also did not make amphibians, spiders, flies,

God did not make reptiles—neither the alien Reptilians or, the reptiles that are found on Earth including turtles, lizards, snakes, crocodiles and alligators. He also did not make amphibians, spiders, flies, mosquitoes, several other insects and several bird species #8497659.

mosquitoes and several other species. The artificial energy that make up these life forms is what is contributing to the energy blockade that separates us from God. To learn more, I asked:

“Are You God? [3 variations].

“Yes.”

“Are there many, many Reptilian races?”

“Yes.”

“Did you make these races?”

“No.”

“Did they evolve from ENKI’s genetic experiments?”

“Yes.”

“Is ENKI still experimenting?”

“Yes.”

“Do ENKI and his son Thoth/Hermes compete with You?”

“Yes.”

“Is this because ENKI has created synthetic life [aka Reptilian] and Thoth/Hermes is a master alchemist, astrologer, and theurgist?”

Note: Theurgy is defined as “supernatural intervention in human affairs or the performance of miracles.” Alchemy is the power of transmuting or transforming one element into another.

“Did you create all of the Guardians?”

“Yes.”

“Are the Guardians now Reptilian?”

“Yes.”

“Is this due to ENKI’s genetic alterations?”

“Yes.”
 “Are the Guardians a small percent Reptilian?”
 “Yes.”
 “Are former Atlanteans 50% Reptilian?”
 “Yes.”
 “Did they obtain their Reptilian DNA from former Atlanteans?”
 “Yes.”
 “Is Reptilian energy the polar opposite of Your energy?”
 “Yes.”
 “Is God’s energy related to Sun Light , warmth and hydrogen ions?”
 “Yes.”
 “Is Reptilian energy associated with Night Time, cold and hydronium ions?”
 “Yes.”

REPTILIANS ARE SENSITIVE TO SUN LIGHT

David Icke and Peter Farley both speak about the wrap-around sunglasses worn by humans who have the energy fields of a Reptilian and their sensitivity to sun light.

“Are Reptilians sensitive to light?”

“Yes.”

“Do they have this problem in both 3D and 4D?”

“No.”

Biology teaches that all mammals and birds are warm-blooded, and all reptiles, insects, arachnids, amphibians and fish are cold-blooded. Biology also teaches

that cold-blooded animals require much less energy to survive than warm-blooded animals do. This fits because of the hydrogen ion’s role in so many energy-producing pathways.

“Did you create fish?”

“Yes.”

“Are they cold-blooded because they live in water?”

“Yes.”

“Is the cold-blooded characteristic of the other cold blooded species mentioned—due to ENKI’s experiments?”

“Yes.”

“Do Reptilians avoid sun light and choose foods that are alkaline-forming?”

“Yes.”

After all of my questions, I’m still not sure I understand what ENKI, Thoth/Hermes and the rest of the Guardians have planned for humans who qualify for Ascension. Whatever it is—it reeks of self-serving energy.

“Is Nibiru inhabited by a large number of beings who evolved from ENKI’s experiments?”

“Yes.”

“Have a majority of Nibiruans evolved from beings that ENKI made in his experiments?”

“Yes.”

“Do they require DNA from former Atlanteans to survive?”

“Yes.”

Quantum physics String Theory says that there are at least eleven dimensions—yet most people are only aware of one. A biological Ascension includes increased physical characteristics such as multi-dimensionality or the ability to move from 3D to 4D and back. True, spiritual Ascension is much more than a biological Ascension. #8497659.

“Do they consider it DNA that we will not miss?”

“Yes.”

“Do you consider Nibiruans and all other Reptilian races 100% synthetic?”

“Yes.”

“Is Earth on its way to becoming 100% synthetic?”

“Yes.”

“Does an Ascension path exist for the beings who evolved from ENKI’s experiments?”

“No.”

“Can you help synthetic life and create an Ascension path?”

“Yes.”

“Do the Reptilians plan to move newly altered former Atlanteans to a “new 3D Earth” as it evolves from the 2010 flood?”

“Yes.”

“Is Twilight romanticizing a dark, cold existence away from the sun?”

“Yes.”

“Will the DNA that has been removed from former Atlanteans make them sensitive to the light in 3D?”

“Yes.”

“Will they understand what has happened to them?”

“No.”

ARE THERE GREEK GUARDIANS?

In Greek mythology, Zeus is the king of the gods and the ruler of Mount Olympus. The OlympusAsgardGalacticFacts group on MySpace and their discussions about Reptilians, made me wonder whether the Greek gods were also Guardians. I asked:

“Are You God? [3 variations].

“Yes.”

“Are the gods of Mount Olympus Guardians?”

“Yes.”

“Is Mount Olympus in 4D Earth?”

“Yes.”

“Are the Greek gods also from Nibiru?”

“Yes.”

“Did they migrate to 4D Earth during the same time that ENKI and ENLIL

came to mine gold?”

“Yes.”

The Greek god Hermes was also Mercury in Rome and Thoth in Egypt. Greek mythology also says that Zeus is the father of Hermes.

“Are Thoth, Hermes and Mercury the same person?”

“Yes.”

“Are Zeus and ENKI the same person?”

“Yes.”

“Did the Guardians take on different identities in different parts of the world?”

“Yes.”

“Do humans get confused about Reptilian Anunnaki bloodlines when an entity appears to look human?”

“Yes.”

“Have we been conditioned to think that aliens look like small “Greys” or the large reptile in the movie *Alien*?”

“Yes.”

“Did You give the gods the name “Guardian?”

“Yes.”

“Were they given the job of taking care of Earth?”

“Yes.”

“And the plan went terribly wrong?”

“Yes,”

“Has the Reptilian group grown so large that there is really no “Non-Reptilian groups to help humans?”

The Greek gods of Mount Olympus are Guardians who took on different identities in different parts of the world. In Greek mythology, Hermes was Zeus' son making Zeus and ENKI the same person. They are all the same Reptilian Anunnaki who arrived in Sumeria over 50,000 years ago. Photo: Statue of Zeus in Rome, Italy #2143858.

“Yes.”

“Will this ever happen again?”

[BIG] “No.”

“Have the Reptilians forgotten that You created them?”

“Yes.”

“Can they start over?”

“Yes.”

“Do You hope that they start over?”

“Yes.”

“Can everything be fixed?”

“Yes.”

“Do they need to take the first step?”

“Yes.”

“Will they be punished?”

“No.”

“Do You punish?”

“No.”
